

### **ATTENTION PRINCETON NON-HIGHWAY VEHICLE ENTHUSIASTS**

It's that time of year! Spring has sprung, which means the City of Princeton has their 2024-2025 Non-Highway Vehicle Stickers available for purchase. Remember your initial registration will expire 04.30.2024. When you come in to renew, we will need an updated Application for Annual Permit Non-Highway Vehicle, a valid DL and current insurance for the machine before you can purchase the sticker.

Applications can be downloaded from the City's website, or you can come into City Hall and fill one out at that time. Renewal Cost (sticker only) - \$50.00.

If you have a qualifying non-highway vehicle, but it isn't yet registered with the city, now is your chance to get a couple of extra months with your new initial registration. All new registrations will include a sticker that is valid through April 30, 2025. Please make an appointment for vehicle inspection by contacting the Princeton Fire Department at 815-875-1861. New Registration Cost (Plate & Sticker) - \$100.
